In the moonlight your smile glows  
Your hair just parts right  
I'll never forget those summer nights  
If one and one wasn't two  
My love would never be true  
If I kissed you now  
Would you 'member me later? would ya 'member?

Love for the lucky ones  
Misery for the masses  
Love for the lucky ones  
Misery for the masses  
Dreamy 17  
Dreamy 17  
Dreamy 17  
We're the lucky ones

Lay those lips on me babe  
Let's talk about world domination  
And the baron's kill kill count count (count)  
You gave me Tom Waits  
I gave you T-Rex  
If I kissed you now  
Would you 'member me later? would ya 'member?

Love for the lucky ones  
Misery for the masses  
Love for the lucky ones  
Misery for the masses  
Dreamy 17  
Dreamy 17  
Dreamy 17  
Yeah, Yeah, Yeah (yeah), Yeah (yeah), Yeah (yeah),  
Yeah!

Take it, Patti Bo!

Love, love, for the lucky  
Love, love, for the lucky  
Love, love, for the lucky  
Love, love, for the lucky lucky lucky lucky ones!
