Saw my ex just the other day,
She went out of her way to say:
Her new man,
Her new man
Can't please her.
Her new man
Can't please her.
Said her new man
Can't please her
Like I, like I can.

Whoa-oh-oh, whoa yeah.
Whoa-oh-oh, whoa yeah.
Whoa-oh-oh, whoa yeah.
Whoa-oh-oh, whoa yeah.

Does he put your legs up?
Does he make you scream and shout?
I'm sorry, I'm sorry, 'bout your new man.
Baby, I'm sorry
'bout your new man.
Baby, I'm sorry 'bout your new man.
I ain't your new man.

Has the regret set in yet?
Or is that phony smile still your style?
Look at him.
Look at me.
Ha, that's what I thought!
Dinner and a movie, never really moved me.
Neither did you,
So glad we're through.
Three cheers for your new man,
Yeah, yeah, yeah.

Whoa-oh-oh, whoa yeah.
Whoa-oh-oh, whoa yeah.
Whoa-oh-oh, whoa yeah.
Whoa-oh-oh, whoa yeah.
