Slice my wrist, watch the blood run down
'cause nothing this great lasts forever.
(Let down flat on the ground)
'cause nothing this great lasts forever.
(Let down flat on the ground)
Only someone who has lost someone so dear
Could really hear what I'm saying.
(Maybe my love would understand)
I ain't scared of much- it ain't dying- it's losing you.

One bullet and this gun.
Pull my trigger, say so long.
One bullet and this gun.
Sometimes love ain't so fun,
It ain't so fun.

Now it seems like a matter of time
Before I lose the one thing I never find.
Yeah yeah yeah does she know?
(Tell me does she know, does she know?)
Yeah yeah yeah does she know?
(Tell me does she know, does she know?)
Believe it or not, you need me.
And believe me when I say to you that I need you (I
need you).
Believe me when I say to you that I need you (I need
you)

One bullet and this gun.
Pull my trigger say so long,
One bullet and this gun.
Sometimes love ain't so fun,
It ain't so fun.

Finish what you started,
There's no going back on what's said and done.
Finish what you started,
There's no going back on what's said and done.

I wilt.
Away.
Without a word, I wilt. (I wilt)

Without a sound I wilt. (Away)
I wilt oh oh away.
I wilt oh oh away.
I wilt oh oh away.
I wilt away.
I wilt I wilt I wilt I wilt away.
I wilt I wilt I wilt I wilt away.
I wilt away.
