Might be easier to just die
Then deal with your mandatory sorrows.
Those tears never seem to stop,
'Til the next amour comes along.
Breaks your heart again and again,
And leaves you with nothing but this heartbreak song.

That never seems to leave ya, leave ya.
That never seems to leave ya.
That never seems to leave ya, leave ya.
That never seems to leave ya.

Stuck in love,
There's no easy way out.
So stuck in love,
There's no easy way out.
So stuck in love,
There's no easy way out.
So stuck in love,
There's no easy way, easy way out.

Can you loosen that noose now beauty?
Let me say what's on my mind.
Bad news isn't what you go lookin for,
But I'm here to tell ya,
I ain't your sunny day any more.
Some dreams are just dreams,
Bedtime hopes, starry eyes in the middle of the night.

That never seems to leave ya, leave ya.
That never seems to leave ya.
That never seems to leave ya, leave ya.
That never seems to leave ya.

Stuck in love,
There's no easy way out.
So stuck in love,
There's no easy way out.
So stuck in love,
There's no easy way out.
So stuck in love,
There's no easy way, easy way out.

You're stuck in love,
There's no easy way out.
You're stuck in love,
There's no easy way out.
You're stuck in love,
There's no easy way out.
You're stuck in love,
There's no easy way, easy way out.
