Assume the position and start to pray
Here comes the priest, it's time to play
We'll use the good word to clean up the mess
Going to heaven child you've been blessed

[Chorus]

Hush hush pass the basket around [x3]
And put your money in

*Did you buy that religioin and what did you get?
A shitty handbook and quote good life
Sin sin sin with a dick in the ass
Sin sin sin life's a laugh*

[Repeat chorus]

Common sense and a heart of gold [x3]

[Repeat chorus]
