I can't stop partying, partying
I can't stop partying, partying
I gotta have PatrÃ³n, I gotta have the E
I gotta have a lot of pretty girls around me
Oh, I can't stop partying, partying
I can't stop, partying, partying
I gotta have the cars, I gotta have the jewels
And if you was me, honey, you would do it too

Monday to Sunday I hit all the clubs
And now e'rybody know me when I pull up
I got the real big posse with me, yeah I'm deep
And if you lookin' for me I'm in VIP

Just follow the smoke, they're bringing bottles of the
Goose
And all the girls in the corner getting loose
Screw rehab I love my addiction
No sleep, no sleep, I am always on a mission 'cause

I can't stop partying, partying
I can't stop partying, partying
I gotta have PatrÃ³n, I gotta have the E
I gotta have a lot of pretty girls around me
Oh, I can't stop partying, partying
I can't stop, partying, partying
I gotta have the cars, I gotta have the jewels
And if you was me, honey, you would do it too

Oh
(Can't stop, can't stop the partying)
(Can't stop, can't stop the partying)
(Can't stop, can't stop the partying)
(Can't stop, can't stop the partying) (x4)
