Crazy one

I think I'm coming undone

I think I lost and you won

I wanna see you again

Baby doll

I still am afraid of it all

I'm hoping that you will call

I wanna see you again

A friend to tender friend

A heart to tender heart

A love that never ends

A love that never starts

Everyone

I think I'm coming undone

I think I lost and you won

I wanna see you again

A friend to tender friend

A heart to tender heart

A love that never ends

A love that never starts

Crazy one

I think I'm coming undone

I think I lost and you won

I wanna see you again

Baby doll

I'm still afraid of it all

I'm hoping that you call

I wanna see you again (4x)
