Come to me now
I will host you
I'm the alchemist of our times
I know exactly what you need

You've gone so far
So you deserve something special

I'm the savior of our times
I know exactly what it needs

Obstinately
More and more
Can't allow myself to stop
The ice broke
I'll never give up
Again... [x3]

Hi, it has been a while since last time
I was certain I could live without
All those private talks I couldn't stand
But now the truth is
You're the best friend I have...
