I can't stop partying, partying
I can't stop partying, partying
I got to have PatrÃ³n
I got to have the E
I got to have a lot of pretty girls around me

Oh, I can't stop partying, partying
I can't stop, partying, partying
I got to have the cars
I got to have the jewels
And if you was me, honey, you would do it too

Monday to Sunday I get all the clubs
And everybody knows me when I pull up
I got the really big posse with the ARP
And if you're looking for me I'm in VIP

Just follow the smoke, they're bringing bottles of the
Goose
And all of the girls in the corner are getting loose

Screw rehab I love my addiction
No sleep, no sleep I am always on a mission

Because I can't stop partying, partying
I can't stop partying, partying
I got to have PatrÃ³n
I got to have the E
I got to have a lot of pretty girls around me

Oh, I can't stop partying, partying
I can't stop, partying, partying
I got to have the cars
I got to have the jewels
And if you was me, honey, you would do it too

Oh (Can't stop, Can't Stop the partying) x4
