OooOoOooOh..

Listen to me,  
I've got to clear the air  
there is something I've held way deep down  
inside all these years  
you always were a friend  
you always trusted me

but now i must admit i was not trust worthy

**\*Chorus\***

I let you down  
I sold you out  
i turned away as you fell onto the ground

I was scared,  
and i was terrified  
and i was lost  
and so i shot away

and i don't know what i can do to make it up to you  
i cant turn back the clock  
i cant rewrite the book  
but if i could,  
the end would be happy  
you would be safe  
and i would be proud to look at you  
when i looked you in the face

**\*Chorus\***

I let you down  
I sold you out  
i turned away as you fell onto the ground

I was scared,  
and i was terrified

and i was lost  
and so i shot away

Thought i loved you..(Though Loved you)

i was so afraid  
i could not think of anything to say(anything)  
though i loved you(thought i loved you)  
thought i trusted you  
though i needed you(thought i needed you)  
i was sooo afraid  
i was so afraid( i was so afraiddd)

and i promise  
that ill never ever do  
that thing i did that day when acted like a fool  
i might get my ass beat  
my throat slit and my fingers hacked  
but ill never miss another chance to watch my brothers  
back

\*Chorus\*

I let you down  
I sold you out  
i turned away as you fell onto the ground

I was scared,  
and i was terrified  
and i was lost  
and so i shot away

I let you down

I was scared,  
and i was terrified  
and i was lost  
and so i let you down.
