Sometimes
I wanna pack it all up
Get on a bus
And move to Vermont
Or Maine, or any
Of those states
Back east
That I remember
Sometimes
I wanna go back to school
An east coast college
With some history
I'd be satisfied, I know
In the simple things

Longtime
Sunshine upon me

Sometimes
I wanna build a house
With a wood stove
Or a fireplace
In the middle
Of the living room
An old piano
Sometimes
It don't seem so bad
Settle down
With a good woman
Leave this
Lonely life behind
Forever and ever

Longtime
Sunshine upon me

Sometimes
I wanna get in a car
Close my eyes
And drive real fast
Keep on going
'Till I get some place

Where I can truly rest

Longtime

Sunshine upon me
