This is the way baby  
This is the way  
This is the way baby  
This is the way

You got to question  
Your situation  
He's taking advantage of you  
You're such a pushover  
He's rolling you over  
And all that you  
Ask him to do

So stand up for yourself  
And get what you deserve  
And I will give it to you my love  
I will never leave  
'Cause you're the air I breathe  
And you're the heaven  
High up above

And this is the way  
That a man loves his lady  
He does what he can  
And he never tells her "maybe"

The world is still turning  
But you are not learning  
You're letting him  
Take what he wants  
You give him your loving  
Your kissing and hugging  
But then he goes back  
Where he wants

And you know that it's true  
It's all because of you  
And now you got  
To take back your love  
Open up to me  
I will make you see  
What I have

Is more than enough

And this is the way  
That a man loves his lady  
He does what he can  
And he never tells her "maybe"

I swear to you  
I will never let you down  
I care about you  
From the inside to the out  
Let the jokers  
Learn a lesson that is true  
It's only me  
And you from now on

And this is the way  
That a man loves his lady  
He does what he can  
And he never tells her "maybe"
