It's cold outside
Seven months of suicide
I've been in suspended animation
Just like Walt Disney

My only love
Asked for me to wait out there
I waited
Waited but she didn't care
Just like Walt Disney
I'm just thawing out

My fingertips and toes are frozen to the bone
Give me an hour before you throw me in the cold

Ring, ring, ring
Now I hear the phone singing
Calling me
Telling me to start freezing
Just like Walt Disney, yeah
I'm a block of ice

My fingertips and toes are frozen to the bone
Give me an hour before you throw me in the cold
Give me an hour before you pick me up and throw me
'cross the sea
Why don't you, please?
