"I Hate You"

Visit "[I Hate You](#)" on MotoLyrics.com

When I am weak
You take a hold of me
When my guard is down
You smile at me and tell me everything will feel alright

I hate you dearly
The sun goes down
When you're around
I hate you dearly
My skies turn gray
You chase my joy away

Your words like lies
Deceptive yet so sweet
And my need grows
For freedom from the chains that you have placed
around my heart

And though the clearest path lay before me
I fall into the mire of your lies
