Stirring inside of me

Reaching my soul

My love awakens me with just one touch

And I'm waiting and I'm waiting

For the dawn

Do not be afraid you will not suffer shame

Do not fear disgrace you will not be cast down

Though the mountains be shaken

And the hills removed

Yet my unfailing love for you

Will not be shaken

Nor my promise of peace removed

I rest in the shadow of your wings

My refuge my home

Touching me stirring me
