Chorus: 2X

Yea!

You know how the story goes

We start it off movin' slow

Then next thing you know, we're international

ATL Moscow and then- London, Japan & Berlin

Amsterdam- to Chicago- when it's done- then san
Francisco

Verse 1:

I was never always a rapper

I was the type- make words make sense

Poetry- was my maganet- until it progressed

And got faster

Like the speed of a sledgehammer- my manners

Soon became my candor

Eased it's way- through all my words

Into the verbs- to master

The flow- wit personality

So I stand out- in actuality

Give y'all just a re- ality

Of the way that things really be

Cuz most are fake- easy to break

Act impatient- when they rather wait

So now I switched the game- like a venue

Keeping' it real- to let me continue

Chorus: 2X

Yea!

You know how the story goes

We start it off movin' slow

Then next thing you know, we're international

ATL Moscow and then- London, Japan & Berlin

Amsterdam- to Chicago- when it's done- then san
Francisco

Verse 2:

They told me- Don' put it to a beat!

What you think I did? I put it to a beat

Had no rhythm- so had to get that

Had no voice- to power my rap

Listen to the old school...mixin' it up wit
my own rules

Then I watched- more news- got more in tune wit my
old blues

Got picked up- by the new crews- start blowin' up- got
new shoes

Cuz I want to- rock a lil' something' different
Especially when we fly out to Venice

After love for the U.S.A- kiss goodbye- cuz by the next
day

We gonna be- on tour for real- private jets-
international feel

Chorus: 2X

Yea!

You know how the story goes

We start it off movin' slow

Then next thing you know, we're international

ATL Moscow and then- London, Japan & Berlin

Amsterdam- to Chicago- when it's done- then san Francisco

Verse 3:

9pm- don't need the tickets

10pm- call for assistance

11pm- pack up for business

12am- board on the Leer &

Take off with the illest blur

That's my word- by 4 am

Land- unpack- find me a sauna

Or Jacuzzi in Hotel Ramada

For sunrise- arise in Paris

While my wrist still 24 karats

2pm- prepare the concert

8pm- get up on my verse

9pm- back on the air- Berlin- Japan- I'm everywhere

All around the world- Dante' You Know

That Blak Frost is Inter-national

Chorus: 4X

Yea!

You know how the story goes

We start it off movin' slow

Then next thing you know, we're international

ATL Moscow and then- London, Japan & Berlin

Amsterdam- to Chicago- when it's done- then san
Francisco
