Verse 1:

I lay down bars by the milli-on

Maintain my par- uh! Far beyond

The average spitter- need this elixir

But mine's NaturAL- love my style

Help paint the picture

make the fixture

Situate the frame- different thing

Let me explain- just what I main

So you understand where I'm comin' from

It's a whole new game- whole new charade

That I masquerade- not another one

Will be found as to be profound

Son I am- leader will become

Puttin' it down- makin' words make sense

On a beat- ridiculous nonsense

That gets me meticulous wit my content

Keep it on lock & key- yea really

CHORUS: 2X

Y'all know y'all ready for this

Get it up in the club- just bump in the whip

(In The Club)

See ya later for the haters- and the gators are tip

All my ladies and my felliz ballin' getting' the chips

yea

Verse 2:

Smooth out my swaggar

Always

Like milk chocolate wit caramel glaze

I stay to death- with all my steps

own- caliber, finesse & forte

That's the way that I play- see

When it get to rap- that's my steez

And the singing, that's my foreplay

My little way to mix the swa-ray

And make the whole thing- get hot like summer days

And heat waves- wit stunner shades

I love to make- heads bop wit the bars I drop

Ain't no way it's gon stop

Take it easy- or get on the floor &
Just pop & lock- get the whole motion

Let this rap rock- we all show boatin'

So I'm o' let the flow- dip to the ocean

Like a cruise liner- to the Caribbean

Ain't no way they seein' what I'm seein'

Keep dreamin'

It's gon get crazy baybay- This thing is just like a
meylay

CHORUS: 2X

Y'all know y'all ready for this

Get it up in the club- just bump in the whip

(In The Club)

See ya later for the haters- and the gators are tip

All my ladies and my felliz ballin' getting' the chips

yea

Verse 3:

This we gonna take it world wide

Cuz the way that we ride is smooth & sly

Catch me on flight- goin' to Nepal

Or the Philippines- see the west is gone

Sippin' daqueri's on Borj Dubai beaches

Watchin' soccer games on Spaniard bleachers

A rrivederci- from italy

YahSU- if I'm Goin' to Greece

Sayonara japan- yes I am

On my way to chile- so they feel me

Guten morgan- when I'm in germany

If you boppin' we can get a worldwide party

That's the way I am- don't apologize sorry

Huh! Never leave no one out please

Scout people out hard- like Scotland yard

So the globe can taste Dante' Blak Frost

CHORUS: 4X

Y'all know y'all ready for this

Get it up in the club- just bump in the whip

(In The Club)

See ya later for the haters- and the gators are tip

All my ladies and my felliz ballin' getting' the chips

yea
