A!

What you want for yourself?

What you want for ya hubby?
Dream
What you want for ya fam?
Dream
What you want for ya die?
Dream
What you want man?
Verse 1:

I've dreamed for so long

To be at the pinnacle- get what I want

Have my time to strive- realize the tide

For my life comes in at sunrise

Why God keep me wakin' in the morning'

Writin' all the bars that got the world goin'

Spit Blak Frost- you doin' right!

We can all relate from the day into the night

Same time like

I keeps it Hip-Hop- so when the cut drops, you know it
don't stop

Yea homeboys don't test my spontaneity

Do a 180 no ifs, ands or maybe's

Gonna swing a jimmy- if ya try to gimme

Lip bout poppin clips & body shimmy's

I'm not the gat packer- poor attacker

Something' in life that's bigger is what I'm after

Chorus 2x:

A!

What you want otta life?

Dream

What you want for yourself?

Dream

What you want for ya wife?

Dream

What you want for ya health?

Dream

What you want for ya hubby?

Dream

What you want for ya fam?

Dream

What you want for ya die?

Dream

What you want man?

Verse 2:

I like mixin' cuz my life is different

Gives it a hint- of excitement

Just spittin money, whoes, cars & clothes

Don't cut it for me though- cuz I seem to know

That life constitutes- more than the 4
And me being secure- I step to the floor

Mixin' the cultures- joining the world

Being brand new- I'm brining the bad news

Dante' spit wit Multi- lingual lyrics

mix the world up from Philippines to Egypt

Istanbul to Machu Picho- steppin' on my toes, but I'm
still gon' beat you

I got the hutzba that puts ya- In ya place tuts before it
goes kahutz

Cuz the verse is real, the words is raw

From a rising angel with iron jaws
Chorus 2x:

A!

What you want otta life?

Dream

What you want for yourself?

Dream

What you want for ya wife?

Dream

What you want for ya health?

Dream

What you want for ya hubby?

Dream

What you want for ya fam?

Dream

What you want for ya die?

Dream

What you want man?

Verse 3:

I'm not perfect, but each day I'm getting' better

Cuz the more I see y'all the closer we are together

The mistakes, the falls in all

Even superstars gotta go & applaud

To this

That dreams- make everything seem
Better than it is- something' to live for & with
I dream to live forever
Through the memories of all my listeners
Those that love & those that hate me
Take for granted or appreciate me
To leave the world better than it made me
And that people can live their lives safely
And to show the world light- faithfully
Let em' know what happiness supposed to be
Not just cash, girls & fantasies
There's a better life, what you waiting to see?
Chorus 2x:

A!

What you want otta life?
Dream
What you want for yourself?
Dream
What you want for ya wife?
Dream
What you want for ya health?
Dream
What you want for ya hubby?
Dream
What you want for ya fam?
Dream
What you want for ya die?
Dream
What you want man?
