[Girl]  
Is there something wrong?

[Guy]  
Ahhh.... I was just sorta, you know, thinkin' about  
tomorrow. The lawyer  
said I'll probably get off; you know, probation or  
something like that.  
But he might be saying that afraid I'll jump bail and  
take off.

[Girl]  
What are you gonna do?

[Guy]  
I was thinking about cutting out to Florida tonight.

[Guy]  
I said I'm thinking about getting lost down there.  
You know, it's real warm down there;  
If I moved down there I could get a blanket and sleep  
Out on the beaches at night.

[Girl]  
Where will I find you? What if I want you?

[Guy]  
Yeah but hmm... I'm used to being independent  
I couldn't be put in a cage or anything  
And besides, you'll never wait.

[Girl]  
Yes I will.

[Guy]  
You say that now, but you don't really mean that.

[Girl]  
I will. I promise I will. Promise I will...
