You are gone.
I'm so all alone.
Here's what's left of my happy home.

"She'll be back"
That's what i said
As i stare at the ceiling.

'Cause i need you baby.
Oh, how i miss you baby.
'Cause i need you baby.
Oh, how i miss you baby. [baby,baby,baby,baby,baby]
{fade out}

'Cause i need you baby.
Oh, how i miss you baby.
'Cause i need you baby.
Oh, how i miss you baby.

You are gone.
I'm so all alone.
Here's what's left of my happy home.

"She'll be back"
That's what i said
As i stare at the ceiling.

'Cause i need you baby.
Oh, how i miss you baby.
'Cause i need you baby.
Oh, how i miss you baby. [baby,baby,baby,baby,baby]
{fade out}
