Got the glow!
We got the glow!
The clothes are neat,
The women are beautiful

Got the glow!
We got the glow!
The stride is long,
We got somewhere to go

Got the glow!
We got the glow!
We take weekends,
Up in the Poconos

Got the glow!
We got the glow!
The pocket's full,
The wad is set to blow

No need to vote,
Business leans our way
No need to drive the block,
We got valets
The work is lucrative,
It's done with ease
No point in wishin' when,
Weather always clears

Got the glow!
We got the glow!
We don't pay tax,
We pay to get loopholes

Got the glow!
We got the glow!
Future's good,
When there's nothin' else left to know

Got the glow!
We got the glow!
Skin is bronzed,

The wrist is bathed in gold

Got the glow!
We got the glow!
If you serve us,
The tippin' is mighty low

The steak is rare,
Tablecloths are real
Breathe the clean air,
Accounts are overseas
The crowd's all part,
As we come through
The hangers-on,
All come around to mooch

Come around to mooch

Our friendships end in a petty clash,
We make new friends and they won't last
Let's celebrate this life of leisure,
Who really cares if it lasts either

Got the glow!
We got the glow!
The clothes are neat,
The women are beautiful

Got the glow!
We got the Glow!
The stride is long,
Cause we got somewhere to go
