Let's take a little time, we can head up north  
Walk the tracks again  
Step aside for the trains, and put some coins down  
Get to talkin'  
It's the same old place, the thoughts all change  
With the scenery  
We can clear our heads, or converse instead  
On the times changing

Walk with me  
Eh-eh! Eh-eh!

Walk with me  
Eh-eh! Eh-eh!

Let's take a little time, we can head out east  
And drive the little roads  
Flea market weekend, watchin' people  
See how the hagglin' goes  
Might pay a princely sum, if it's alright  
And it's on my dime  
Or we can chat away, in the parking lot  
Either one is fine

Walk with me  
Eh-eh! Eh-eh!

Walk with me  
Eh-eh! Eh-eh!

Hoo-ooo-ooo-ooo-ooo

Walk with me, and we can speak of things  
And all those things, that people just don't see

Walk with me, and we can see those things  
That came to pass, were never meant to be

Walk with me  
Eh-eh! Eh-eh!

Walk with me

Eh-eh!
