Something you got baby,  
Makes me work all day,  
Something you got,  
Keep me bringing you all my things.

Something you got baby,  
Makes me work all day,  
Something you got,  
Keep me bringing you all my things.

Something you got baby,  
Makes me work all day,  
Something you got,  
Keep me bringing you all my things.

Something you got baby,  
You oughta know.  
I said, my my.  
Oh oh.  
I love you so. [so, so, so, so, so] {fade out}
