my eyes crazy crazy [x4]  
i got them crazy eyes  
she got them liquor lips  
she got them syrup thighs  
oh myâ€¦ [x2]  
oh oh oh,  
it was love at first sight  
and if she ever let, i would never get right.  
i drink her with my sprite  
i'm thinkin' that she might  
make me fall into a coma  
i'm a dog for her aroma  
but just like life  
you know things change  
at first it was codina  
then i met her sister.  
her name was dexstrozlina  
she came in a beamer  
it was bad for codina  
since then i ain't seen her  
till' i see my bro bring her to a show in salinas  
i was a hoe, i cheated.  
so you know i'm leanin'  
i'm the meanest  
and my penis get hard for that bo.  
i'm the cleanest  
i'm like trina, drop a bar of that soap.  
andâ€¦  
lookin' at me girl.  
i'm a star, watch me shoot.  
she my only passanger  
of course my car is a coupe  
you can catch me passin'  
i'm drivin' in the sky  
like i'm divin' with my lady right beside me.  
i got them crazy eyes  
she got them liquor lips  
she got them syrup thighs  
oh myâ€¦ [x2]  
she my bad habit  
she my she my bad habit [x3]

but when it's all over, ooohh  
dam i got to have it  
lights too serious  
too taken serious  
i live with no fear  
and just pass by them sirenges  
by my feet, on the street  
as i walk in my chucks,  
keep my cup, filled with ice  
lot of bo, lil' sprite  
lil' o in the stroller  
smilin' underwear are violent  
underwear are pain, but i been where he ain't  
i'm tamed but i'm sayin'  
i'm a lion for my seed  
and for me just to breathe  
without hopin' someone bleed  
i might need a sexy lady

in that ecstasy mercedes  
might be drownin' in some  
bombay syrup  
that looks like beyonce  
and her love drug rampage  
got me friendlier than  
tom page  
i'll be honest, i'll be honest  
i am high up with terantes  
all about my economics  
i wil feed you to pirahnnas  
if you playin' with the dollas.  
and when i say pirahnnas know i'm speakin' my patnas'  
have you missin' like my father.  
a subject hard to stay on  
when i'm chasin' her all day long.  
i got them crazy eyes  
she got them liquor lips  
she got them syrup thighs  
oh myâ€¦ [x2]  
she my bad habit  
she my she my bad habit [x3]  
but when it's all over, ooohh  
dam i got to have it  
dam, i don't know what to do  
i got dexstroze over here makin' me feel like  
i wanna fuck every girl in the world.  
got me hangin' out with e.t and shitâ€¦  
but her sister codine keep callin me'  
wantin' to hang out  
lean on the couch and shitâ€¦ relax.  
but i love doin' that too

i'm so confused  
purple codine, and red dexstroze  
the purple make you lean  
the red make you float  
my bed like a boat  
bring my eggs bring toast  
i'm chillin' watching  
shottas' until you meet  
until it meet you, you don't know bout' the cha-cha.  
that's when you don't play  
and straight chew it up  
but these this days  
just don't do enough  
they mix it with some up  
and a lil' bit of us  
so i find a new girl and poured it in my cup  
took her to the cut  
and fucked her like a slut  
now she a groupie on my bust.
