Oh you didn't know  
You better call somebody  
The D-O-Double G and K-Kwik get rowdy  
Rowdy  
Come on come on come on  
yeah, we get rowdy  
'Bout to move something  
Come on come on come on  
We get rowdy  
'Bout to move something  
Come on come on come on  
K-Kwik get rowdy  
'Bout to move something

Two real G's and we 'bout to get rowdy  
You did know you better call somebody  
Stepin' through the dust cause I'm mystical  
No damn doubt about it K-Kwik and Road Dogg  
Gettin' Rowdy  
'Bout to move something  
Me and Road Dogg with the cash and change  
Check yourself and realize we're all that  
If you step your ass up get your Hat Rack Crack  
No doubt about it  
You can call it a bet  
Beating all the fools so the fools can rest  
We'll pick your ass up and toss it around  
Cause we're two real G's with the real ass sound

We get rowdy  
Come on, come on, come on  
We get rowdy  
'Bout to move something  
K-Kwik talking about moving things come on  
We get rowdy  
'Bout to move something  
Come on, come, on come on  
D-O-Double G is gettin' rowdy  
'Bout to move something  
D-O-Double G get rowdy

Oh yeah we're gettin rowdy

We're gettin rowdy  
We're gettin rowdy

Oh yeah we're gettin rowdy  
We're gettin rowdy  
Say it again, gettin rowdy

Oh yeah we're gettin rowdy  
We're gettin rowdy

Oh yeah we're gettin rowdy  
We're gettin rowdy

We get rowdy  
Come on, come on, come on

'Bout to move something  
K-Kwik scream it out say, say, say, say get rowdy  
'Bout to move something  
Come on, come on, come on  
We get rowdy  
'Bout to move something  
Come on, come on, come on move something
