Shadows falling, baby
We stand alone out on the street
Anybody you meet
Got a heartache of their own
(it oughtta be legal)
Make it a crime to be lonely or sad
(it oughtta be legal)
You got a reason for living
You battle on
With the love you're livin' on
You gotta be mine
We take it away
It's gotta be night and day
Just a matter of time

Chorus

And we got nothing...
And we got nothing to be guilty of
Our love will climb any mountain
Near of far we are and we never let it end
We got devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
I don't wanna hear your goodbye
I don't wanna hear your goodbye

Pulses racing, darlin'
How great we are
Little by little we meet in the middle
There's danger in the dark
(it oughtta be legal)
Make it a crime to be out in the cold
(it oughtta be legal)
You got a reason for livin'
You battle on
With the love you're buildin' on
You gotta be mine
We take it away

It's gotta be night and day
Just a matter of time

Chorus

We got nothing to be guilty of...
