We're going different way to hell
Without break
Without love and without tears
You don't kiss me

Please say something to me
To make me feel a lot better
In my hell, in my hell
We are far too young
To believe
It's the end, it's the end

I try to kill my thoughts before, they try to kill me
You know what I feel right now

I try to sleep at night
I have a conflict with my life
I'm trying to be a the best, I'm sorry!
I didn't know it's gonna be so
Everything is finished around
In my life...
