Come around waiting on a Sunday
When you go downtown,
I can feel the aftermath of when you
Tore it down,
Well I guess we belong to the night
And that's just plain to see,
Oh if you're looking for trouble
Then you sure better not be looking for me

When we're goin downtown
You know I've got on my Dancin Shoes.

Oh yea, thought it was a nightmare
We were down drinkin at the end of the bar
And I was dead cold center of an evil stare,
We were out just kickin around runnin wild
Oh mister if you wanna start a fight
You know that just ain't my style.

When we're goin downtown
You better put on your Dancin Shoes.

Ain't got time or money on my side
But you know I'll finish dancin with you.
When we're all downtown, money's all around,
I ain't got a damn thing to lose.
Lawman said 'Wait here by my side,
I got friends like you.'
Sure they might of took it just a little too far,
I'm goin downtown in a police car.

Come aorund waitin on you everday
Ain't working for me.
If I'm a little different than you
Then you sure better let it be.
I know you just push em around
When they all lay down.
Oh when they all just run away,
I was taught to hold my ground.

If I'm goin downtown
You better put on your Dancin Shoes.

:Chorus:

Lawman take me to jail
I ain't done nothing wrong
Sure I'd fight for my life
I'll keep on fighting till the day I Die

:Chorus:

Oh mister police man
I ain't done nothing wrong
