I've been up, down and I'm ready to ride  
I've been a long hair hippie with a pistol on my side  
Fall back just to do it again  
I keep a rider when I'm sleeping  
In case she's foe instead of friend

Shouldn't have missed me the first time  
Now I'm coming with the red eye  
I've been down in the back of the room  
Behind your murderous lies  
I'm back with the hound dogs of hell  
Keep on running and I'm on your trail  
I don't give a damn what you gonna say  
We're not gonna see the light

Chorus

Ride on  
Till your singing through the day  
No I'm not a criminal  
I've never been a saint  
You cross my brother or my lover  
And I'll show you what it means  
To be my papa's son  
I'm gonna run and get my shotgun  
You think you're living the good life  
You hide your demons and I shine mine  
That don't make it right for you to judge  
I'm not gonna see the light  
You take a look at my blood line  
Try to find my criminal mind  
I don't give a damn what you gonna say  
We're all gonna die tonight

Chorus

No I'm not a criminal  
From the day that I am born  
You're gonna see where I'm from  
I made it back from hell  
Just to find you again  
You better listen  
This ain't no easy way to live

But we rise again  
On the other side  
You're gonna find your ride  
Aaaaaah son

Chorus
