Verse 1

Standing here in this moment, watching tomorrow
unfolding
so quietly, it captures me and takes me back to an
innocence. I Barley remember a hopefulness, our first
time together. IÂ'm trembling IÂ'm holding in but you
reach
right through me, see straight through me.

Chores

And Everything, I thought never would now is
happening. A
brand new horizon is opening. IÂ'm hoping we donÂ't
miss
this moment. You show me how life is worth living. I
have
no doubt itÂ's all about giving. IÂ'm reaching out, right
here right now donÂ't you see IÂ'd give you
everything?

Verse 2

First step is always the hardest but worth it. From the
day that we started weÂ've overcome weÂ're joined as
one.
And the stairs are winding but we keep on climbing.

Chores

And Everything, I thought never would now is
happening. A
brand new horizon is opening. IÂ'm hoping we donÂ't
miss
this moment. You show me how life is worth living. I
have
no doubt itÂ's all about giving. IÂ'm reaching out, right
here right now donÂ't you see IÂ'd give you
everything?

Everything I thought never would now is happening. A
brand new horizon is opening for you and me. DonÂ't
you
see IÂ'd give you everything?
