As far as I can see, you and I are valentines for all we
know
As far as I can see, you already bear the scars of love

These are the loaded words
Spoken in coded terms
If spoken at all

Iâ€™m outside your tower, baby â– I can set you free
Whatâ€™s it gonna take to make you love me?
Iâ€™ll do all thatâ€™s necessary â– tell me what you need
Whatâ€™s it gonna take to make you love me?
Flowers on flowers? Love and devotion?
Hours and hours staring at the ocean?

As far as I can tell, you are well
But Iâ€™m not sure thatâ€™s all youâ€™re after
As far as I can tell, youâ€™re still running from the arms
of love

Love is a loaded word
Spoken in coded terms
If spoken at all

Iâ€™m outside your tower, baby â– I can set you free
Whatâ€™s it gonna take to make you love me?
Iâ€™ll do all thatâ€™s necessary â– tell me what you need
Whatâ€™s it gonna take to make you love me?
Flowers on flowers? Love and devotion?
Hours and hours staring at the ocean?

But some words carve through true
Iâ€™m still in love with you
Like the oceanâ€¦

Oceanâ€™s a perfect word
Spoken in perfect terms
If spoken at all

Iâ€™m outside your tower, baby â– I can set you free
Whatâ€™s it gonna take to make you love me?
Iâ€™ll do all thatâ€™s necessary â– tell me what you need

What's it gonna take to make you love me?
Flowers on flowers? Love and devotion?
Hours and hours staring at the ocean?

Staring at the ocean...
