Breathe the air again  
It's a beautiful day  
I wish this moment would stay  
With the earth  
Some primal paradise  
There you go again  
Saying everything ends  
Saying you can't depend on anything  
Or anyone

### CHORUS

If the end of the world is near  
Where would you choose to be?  
If there were five more minutes  
Of air  
Would you panic and hide?  
Or run for your life?  
Or stand here and spend them with me?  
If we had five more minutes  
Would I, could I make you happy?

And we would live again  
In the simplest of ways  
Living day after day  
Like some primal animals  
We would love again  
In the glorious sense  
Were the freedom will come from the truth

### CHORUS

If the end of the world is near  
Where would you choose to be?  
If there were five more minutes  
Of air  
Would you panic and hide?  
Or run for your life?  
Or stand here and spend them with me?  
If we had five more minutes  
Would I, could I make you happy?

So it finally came to pass  
I saw the end of the world

I saw the madness unfold  
Like some primal burial  
I looked back at her  
Armageddon  
And the moment of truth between her and me

If we had five more minutes  
Of air to breathe  
And we cried all through it  
But you stand here with me  
On our last few drags  
Of air we agree  
I was, you were, happy
