"When You're Not Near"

When you're not near me
I'm so sad and blue
And it's all because I'm still in love, with you
And when you're not near me
I'm so all alone
Even though a crowd surrounds me I'm still in need of
you
And it's funny how it seems
Just like yesterday
That we met and our hearts took to the stars
And when you're not near me
A day seems like a year
And I can't bear these tears that fall
When you're not near
And it's funny how it seems
Just like yesterday
That we met and our hearts took to the stars
And when you're not near me
A day seems like a year
And I can't bear these tears that fall
When you're not near
