We were drawn from the weeds  
We were brave like soldiers  
Falling down under the pale moonlight  
You were holding me like someone broken  
And I couldn't tell you but I'm telling you now

Just let me hold you while you're falling apart  
Just let me hold you and we'll both fall down

Fall on me  
Tell me everything you want me to be  
Forever with you  
Forever in me  
Ever the same

We would stand in the wind  
We were free like water  
Flowing down  
Under the warmth of the sun

Now it's cold and we're scared  
And we're both been shaken  
Yeah, look at us man  
This doesn't need to be the end

Just let me hold you while you're falling apart  
Just let me hold you and we'll both fall down

Fall on me  
Tell me everything you want me to be  
Forever with you  
Forever in me  
Ever the same

Call on me  
And I'll be there for you  
And you'll be there for me  
Forever it's you  
Forever in me  
Ever the same

You may need me there

To carry all your weight  
But you're no burden I assure

You tide me over  
With a warmth I'll not forget  
But I can only give you love

Fall on me  
Tell me everything you want me to be  
Forever with you  
Forever in me  
Ever the same

Call on me  
And I'll be there for you  
And you'll be there for me  
Forever it's you  
Forever in me  
Ever the same

Forever with you  
Forever in me  
Ever the same  
Ever the same
