Oh well, oh well
Guess you've got it all worked out so far
You adjust your reason
Until you see the light from where you are

But you can never win
You can never lose
That's the worst part
You can only say that what you want
Is where you are

You're beautiful, girl
Won't you listen to me?
Well, I tried so hard
To give you what you need
And it burned like gasoline

Oh well, oh well
It never took a lot to make this hard
'Cause you're so off balance
And I knew all the words to set you off

But you can never win
You can never lose
That's the scorned heart

Then you throw your head back
And you laugh at where we are

You're beautiful, girl
Won't you listen to me?
Well, I tried so hard
To give you what you need
And it burned like gasoline

Won't you listen to me?
Well, I tried so hard
To give you what you need
And it burned like gasoline
Gasoline, gasoline, gasoline

You're beautiful, girl

Won't you listen to me?
Well, I tried so hard
To give you what you need
And it burned like gasoline

Won't you listen to me?
Well, I tried so hard
To give you what you need
And it burned like gasoline
Burned like gasoline
Burned like gasoline
