You're the best thing I ever knew
You'll do everything that I can't do
Sometimes I get lost in my blues
please forgive me if I'm hard on you
please forgive me if I'm hard on you
All right

You and me got so much to prove
you're the only thing that I can't lose
and I talk peaceful here in our room
please forgive me if I'm hard on you
please forgive me if I'm hard on you

'Cause I didn't mean to be mean when I said
all the things that I said to you

but maybe the worst is the best I can do
with you, and I never want you to go but I know
I've been movin' way too slow
and I fall apart 'cause it's all that I know
I know, I know, I know

Where you runnin' now baby blue
Please don't let it take me far from you
I've been restless I've been a fool
Please forgive me if I'm hard on you
Please forgive me if I'm hard on you
Please forgive me if I'm hard on you
Please forgive me if I'm hard on you
