Take this confusion
Runnin' round my head
Take back my unkind words
Lay that weight on me instead
I'm the place where everything turns sour
Where you gonna run to now

Wrong step
You got off track
You need someone to help us get back now
Worn thin
Awful state I was in
I believe I was losing me now I'm found
Well I am found

But I'm not real anymore
I am an illusion
But I'm not real anymore
I am an illusion

Well I am the damage
I am the relief
Sometimes I'm people
I never hoped that I would be
If I take in whatever they turn out
Then what's that gonna make me now
Don't you understand

I'm not real anymore
I am an illusion
I'm not real anymore
I am an illusion

Wrong step
You got off track
You need someone to help us get back now

Worn thin
Awful state I was in
I believe they were fooling me
Now I'm down
Well I am down

Well I'm not real anymore
I am an illusion
Well I'm not real anymore
I am an illusion
