Let it go  
Let it roll right off your shoulder  
Don't you know  
The hardest part is over  
Let it in  
Let your clarity define you  
In the end  
We will only just remember how it feels

Our lives are made  
In these small hours  
These little wonders  
These twists and turns of fate  
Time falls away,  
But these small hours  
These small hours  
Still remain

Let it slide  
Let your troubles fall behind you  
Let it shine,  
Till you feel it all around you  
And I don't mind  
If it's me you need to turn to  
We'll get by  
It's the heart that really matters in the end

Our lives are made  
In these small hours  
These little wonders  
These twists and turns of fate  
Time falls away  
But these small hours  
These small hours  
Still remain

All of my regret  
Will wash away somehow  
But I cannot forget  
the way I feel right now

In these small hours  
These little wonders  
These twists and turns of fate  
Yeah, these twisted turns of fate  
Time falls away  
Yeah, but these small hours,  
These small hours  
Still remain

Yeah, oh they still remain  
These little wonders  
All these twists and turns of fate  
Time falls away  
But these small hours  
These little wonders  
Still remain
