The light from the window is fading  
You turn on the night  
The sound from the avenue's calling you  
Open your eyes

And when you find  
You're spending your time  
Wanting for words  
But never speak  
You tell yourself  
That the things you need come slow  
But inside you just don't know

Chorus:  
My, my, my  
Let your bright light shine  
Let your words live on  
Far beyond this life  
Beyond this life

Hold on to anything  
Everything's over and done  
Has the fear taken over you  
Tell me  
Is that what you want  
To make up your life

Time after time  
You're falling behind  
Hold on to me  
Never leave  
Forever be what you mean to me right now

Don't you feel better now

Chorus

(My, my, my, my)  
Beyond this life

(My, my, my,)  
Don't you feel better now?

(My, my, my, my)  
Don't you feel better now?

Say my, my, my (right now)  
So when you find  
You're spending your time  
Wanting for words  
But never speak  
You tell yourself  
That the things you need come slow  
But inside you just don't know

My, my, my  
how your bright light shines  
Let your words live on  
Far beyond this life

Does your wild, wild, calling  
Weigh you down sometimes?  
Well, my, my, my  
It becomes uplifting in this life
