Look at me
I'm made of wonderful
Wonderful
I'm all easy breath and steady walk
Steady walking

But underneath
I'm barely moving on
It's like I'm nothing
All the ways they have to make me
Smile and then they go and break me

Wait
I think I feel like hell
No I can't be myself
And I can't be nobody else
But if I could
Would you love me then
Would you love me then
Would you love me then

Look at me
I'm made of wonderful
It's terrible
I'm all easy come and easy go
As far as you know
But underneath man I'm just killing time
Guess I'm past my prime and now I'm over rated over
dressed and overstated

If I put my hands up
Put your hands up
If I fall down
If I lose my place
And I don't know just where I'm s'posed to go
Or if you'll be there when I wake
Would you love me then

Well I come home tired
And I come home late
Everybody wants me
So I give it away

I'm a wanted man
I'm a wanted man
I'm a wanted man
I'm a wanted man
