Gripping the wheel  
His knuckles went white with desire  
The wheels of his Mustang  
Exploding on the highway like a slug from a 45

True death  
400 horsepower of maximum performance  
Piercing the night  
This is Black Sunshine

Yeah, move me in the silent Baltic motorway  
Hang me on the edge before I fall away  
Apocalypse is dawnin', actions on the mile  
A can do revolution, Earth to the river Nile

Sweet'n the ride, Black Sunshine  
Sweet'n the ride, yeah  
Sweet'n the ride, Black Sunshine  
Sweet'n the ride, yeah

Cry a river 'Cosmic' moon in Scorpio  
Feel her body breathe, acid radio  
Tell me that you like it when I'm going down  
Tell me that you like it, move to the speed of sound

Sweet'n the ride, Black Sunshine  
Sweet'n the ride, yeah  
Sweet'n the ride, Black Sunshine  
Sweet'n the ride, yeah

Slide into, I said, "44", cool heart can a hypnotize  
Dream into infinity, I turned the love to lies  
Crawl across the water wave and sink into the sea  
Reflectin' onto everything that you can never be, check-out

Yeah, to the devil a daughter  
Comes 2000 and a worlds away  
Yeah, born to lose the love you choose  
Destroy another day, check out

Sweet'n the ride, Black Sunshine

Sweet'n the ride, yeah  
Sweet'n the ride, Black Sunshine  
Sweet'n the ride, yeah

Stare into the TV, kiss off the pain  
Wonderland is falling, no sing, no rain  
Momentary damage into the high  
Drift me to the circuit sky

Finally nothing moves  
High noon blacktop  
Rollin' below the asphalt drive  
A concrete fascination  
Scraping the edge of nothing  
This is Black Sunshine
