Help the poor
Won't you help poor me
Have a heart baby, won't you, baby
Listen to my plea
Need all your love
I need your care
I need all of the love
You can spare
Help the poor
Help poor me

Say you will
Say you'll help me on
I can't make it no further
This way alone
Lost all my courage
When I found you
Got what I needed
To see me through
Help the poor
Help poor me

You're my inspiration
You can make me a king
If you don't come to my rescue

I'll never be anything
Help the poor
Help poor me
Have a heart baby, won't you, baby
Listen to my plea
Need all your love
I need your care
I need all of the love
You can spare
Help the poor
Help poor me

Help the poor
Won't you help poor me
Have a heart baby, won't you, baby
Listen to my plea

Need all your love
I need your care
I need all of the love
You can spare
Help the poor
Help poor me
