There'll Never be Another You

8 bar intro

Oh, she knows how to hurt me  
she knows how to please  
Cool a man with good lovin'  
then drag him to his knees

Oh, so why do I do it  
Waste away my time  
Wonderin' if I'm happy  
or just losin' my mind

Chorus:

There'll never be another you  
There'll never be another you  
When love is broken there won't be two  
There'll never be another you

Oh, your ways are so wicked baby  
just out of control  
The consequence of confusion  
is afraid for my soul

Well you poison my coffee  
or sweeten my tea  
I'd rather live on nothin'  
than uncertainty

(Chorus, Lead, Chorus, Lead)
