Got a job, that's O.K.,
but they've got me workin' night and day
Punchin' in, punchin' out,
is this really what life's all about?

Whatcha gonna do, whatcha gonna feel?
I don't know
Whatcha gonna feel, whatcha gonna do?
Oo won't someone tell me
Whatcha wanna say, whatcha wanna do?
There's only one thing left to say
Whatcha wanna do, whatcha wanna say?
Ooooo

C'est La Vie, C'est La Vie
That's just the way it goes (that's life) oh yeah
C'est La Vie, C'est La Vie
That's just the way it goes (that's life)

Baby's gone, all alone (all alone)
Are you sad because you're on your own?
Get that girl, party down
There's so many good ones still around

Whatcha gonna do, whatcha gonna feel?
I don't know
Whatcha gonna feel, whatcha gonna do?
Oo won't someone tell me
Whatcha wanna say, whatcha wanna do?
I guess there's only one thing to say
Whatcha wanna do, whatcha wanna say?
Ooooo

C'est La Vie, C'est La Vie
That's just the way it goes (that's life) oh yeah
C'est La Vie, C'est La Vie
That's just the way it goes (that's life)

Hey J.J, What you been doin'
You say your car brokedown the thing just isn't movin'
Hey J.J, Don't you know
When you're down there's just one way to go

Now sing it

C'est La Vie, C'est La Vie

That's just the way it goes (that's life) sometimes

C'est La Vie, C'est La Vie

That's just the way it goes (that's life)
