Besame besame mucho
Each time I cling to your kiss I hear music divine
Besame besame mucho
Hold me my darling and say that you'll always be mine
This joy is something new my arms enfolding you,
never knew this thrill before
Whoever thought I'd be holding you close to me
whispering you I adore

Dearest one if you should leave me
Each little dream would take wing and my life would be
through
Besame besame mucho
Love me forever and make all my dreams come true
Besame besame mucho
Love me forever and make all my dreams come true

(Merci ? H'I?ne pour cettes paroles)
