When I said, I needed you
You said you would always stay
It wasn't me who changed, but you
And know you've gone away

Don't you know that now you're gone
And I'm left her on my own
Then I have to follow you
And beg you to come home

You don't have to say you love me
Just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me
I can't help I love you
But believe me, I'll never tie you down

Left alone with just a memory
Life seems dead and so unreal
All that's left is loneliness
There's nothing left to feel

You don't have to say you love me
Just be close at hand
/]
You don't have to stay forever
I will understand
Believe me, believe me

You don't have to say you love me
Just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me, believe me, believe me !
