(Robbie)

(Babe)

I came to your door to see you again,  
Where you once stood was an old man instead.  
I asked where you'd be, he said:"She's moved on, you see.

All I have is this number, you'd better ask her not me."

(Back for Good)

I think now it's time for me to grow up, I feel it's time.  
I got a picture of you beside me,  
Got your lipstick mark still on your coffee cup, oh.  
I got a fist of pure emotion,  
I got a head of shattered dreams,  
Gotta leave it, gotta leave it all along

Whatever I said

Whatever I did

I didn't mean it

I just want you back for good.

(want you back, want you back, want you back for good)

Whenever I'm wrong

You just tell me the song

And I'll sing it

You'll be right and understood

(want you back, want you back, want you back for good)

Robbie: Ladies & Gentlemen, MARK OWEN!!

(Mark)

Unaware but underlined, I figured out this story. It wasn't good.

And in the corner of my mind, I celebrated glory.

But that was not to be(+Robbie)

And in the twist of separation, you excelled at being free

Can't you find a little room inside for me

Robbie: MARK OWEN, Ladies & Gentlemen!!

(Robbie+Mark)

Whatever I said

Whatever I did

I didn't mean it  
I just want you back for good.  
(want you back, want you back, want you back for  
good)  
Whenever I'm wrong  
You just tell me the song

And I'll sing it  
You'll be right and understood  
(want you back, want you back, want you back for  
good)

(Robbie)  
We'll be together  
(Robbie+Mark)  
This time is forever  
No more fighting, and forever we will be.  
So complete in our love, we'll never be un covered,  
AGAIN!!

Mark: Are you ready, 1,2,3,4,  
(Robbie+Mark)  
Whatever I said  
Whatever I did  
I didn't mean it  
I just want you back for good.  
(want you back, want you back, want you back for  
good)  
Whenever I'm wrong  
You just tell me the song  
And I'll sing it  
You'll be right and understood  
(want you back, want you back, want you back for  
good)

Mark: Ladies & Gentlemen, ROBBIE WILLIAMS!!  
Take care, byebye  
Robbie: MARK OWEN!!

(after the song)  
Robbie: Mark, Mark, come and take a bow, don't get  
off, son!  
(Mark came out, took a bow with Robbie, and leaved)

(to audience)  
Robbie: They didn't get that last night!  
The memory of TT(Take That) live on!!
