God gave me the sunshine,  
Then showed me my lifeline  
I was told it was all mine,  
Then I got laid on a ley line  
What a day, what a day,  
And your Jesus really died for me  
Then Jesus really tried for me

UK and entropy,  
I feel like its fuckin' me  
Wanna feed off the energy,  
Love living like a deity  
What a day, one day,  
And your Jesus really died for me  
I guess Jesus really tried for me

Bodies in the Bodhi tree,  
Bodies making chemistry  
Bodies on my family,  
Bodies in the way of me  
Bodies in the cemetery,  
And that's the way it's gonna be

All we've ever wanted  
Is to look good naked  
Hope that someone can take it  
God save me rejection  
From my reflection,  
I want perfection

Praying for the rapture,  
'Cause it's stranger getting stranger  
And everything's contagious  
It's the modern middle ages  
All day every day  
And if Jesus really died for me  
Then Jesus really tried for me

Bodies in the Bodhi tree,

Bodies making chemistry  
Bodies on my family,

Bodies in the way of me  
Bodies in the cemetery,  
And that's the way it's gonna be

All we've ever wanted  
Is to look good naked  
Hope that someone can take it  
God save me rejection  
From my reflection,  
I want perfection

Bodies in the Bodhi tree,  
Bodies making chemistry  
Bodies on my family,  
Bodies in the way of me  
Bodies in the cemetery,  
Bodies in the bodhi tree,  
Bodies making chemistry  
Bodies on my family,  
Bodies in the way of me  
Bodies in the cemetery,  
And that's the way it's gonna be

All we've ever wanted  
Is to look good naked  
Hope that someone can take it  
So God save me rejection  
From my reflection,  
I want perfection

Jesus didn't die for you, what do you want?  
(I want perfection)  
Jesus didn't die for you, what are you on?  
Oh Lord  
(Jesus really died for you) Ohh  
(Jesus really died for you)  
(Jesus really died for you) Ohh
