Come and hold my hand  
I want to contact the living  
Not sure I understand  
This role I've been given

I sit and talk to God  
And he just laughs at my plans  
My head speaks a language  
I don't understand

I just want to feel real love  
In the home that I live in  
'Cause I got too much life  
Running through my veins  
Going to waste

I don't want to die  
But I ain't keen on living either  
Before I fall in love  
I'm preparing to leave her  
I scare myself to death  
That's why I keep on running  
Before I've arrived  
I can see myself coming

I just want to feel real love  
In the home that I live in  
There's a hole in my soul  
Can't you see it in my face

Of real disgrace  
I need to feel real love  
And a life ever after  
I feel like givin' up

I just want to feel real love  
In the home that I live in  
I got too much love  
Running through my veins  
Going to waste

I just want to feel real love

In a life ever after  
There's a hole in my soul  
Can't you see it in my face  
It's a real disgrace

Come and hold my hand  
I want to contact the living  
Not sure I understand  
This role I've been given  
Not sure I understand (x4)
