Come join the band  
Come shag the damned  
God I blow them away  
A heart of chrome  
A broken home  
I got plenty to say

Who are you doing  
Don't spoil my day  
A bigger better often baby  
He's on his way  
You gotta love LA

I feel gigantic  
Gonna burst a vein  
I'm stoppin traffic  
Cause they dig the fame  
And I'm just the same

So Ebay baby haven't seen you lately  
Do you still give it away  
So get my peeps  
Call your peeps  
Cause we've got nothing to say  
Don't feed the models  
Don't look at police  
Don't go to Crenshaw Boulet  
Cause whitey can get fleeced God I love LA

I feel gigantic  
Gonna burst a vein  
I'm stoppin traffic  
Cause I dig the fame  
I'm hearing voices, voices  
Gotta love LA California USA baby

Who you doing baby  
Don't spoil my day  
You've been gloating lately baby  
And I dig LA I'd have to say

I feel gigantic

Gonna burst a vein  
I'm stoppin traffic  
I kinda dig the fame  
I'm hearing voices, voices  
I've gotta jumbo jay  
Too many choices choices  
Gotta love LA California  
USA USA USA
